

10<sup>TH</sup> ANNUAL MATTHEW ZUCKER MEMORIAL

# ERGATHON!

**TOTAL METERS ROWED: 1,640,138**

Thank you for making the 10th Annual Matthew Zucker Memorial Ergathon a huge success. With 114 rowers (85 youth and 29 adults) rowing a whopping 1,640,138 meters, we were able to exceed our million meter goal early in the day! To date, we have raised \$15,000 toward scholarships and an additional \$2000 from gear and the tag sale. The highlight of the day was the visit by Norwalk's own Dan Walsh, Bronze Medalist in the Beijing Olympics, NRRA alumni and friend.
